Hi John,

I'm an Executive Producer for WRGB, the CBS affiliate for the Albany, NY-area. We're hosting a Town Hall event on Thursday, April 14th regarding concerns about PFOAs found in the water in Hoosick Falls, Petersburg and North Bennington, VT. We'd like to invite someone from the EPA to be one of our panelists for this public service event. Please let me know your interest and if you have any questions.

Thank you,

Andrea Cyr
